As my staff and I begin at Washington State, we are excited about the future. We accept the challenge and are committed to making this a basketball program the Cougar family will embrace and enjoy.

For those student-athletes who have chosen to join us, we will help them to mature in the following areas:

- Graduation in academic fields they care about.
- Continue on the road to becoming men of character.
- Develop as players individually and as a team.

On behalf of our young men and myself, it is a tremendous privilege to compete and coach in the Pac-10, one of the most elite academic and athletic conferences in America. We look forward to the challenge, excitement, and triumphs of this important season!
