WHAT THEY SAY ABOUT KLAY...

"Whether Washington State's Klay Thompson is as good as I think he is. I believe Thompson can establish himself as the best player in the Pac-10 this season. He can really shoot it and really score, and is a vastly underrated defender. Thompson impressed me this past summer at the Nike Skills Academy, and he needs only to play stronger to be a first-team All-American." -Jay Bilas, ESPN

"While next-level talent seems thin in the conference this year, Thompson is one player who looks like he has an NBA future. The Pac-10's top returning scorer (19.6 ppg) is also the most versatile player in the conference. At 6-6, he can play multiple positions, displays plus ball-handling ability and reminds some of Evan Turner. He also has a picture-perfect jump shot, with range beyond the three-point line.
