COUGAR SCENARIOS: If Washington State wins games at Stanford and at California this week, the Cougars will be the fifth or sixth seed at the Pac-10 Tournament...loss at Stanford and a win at California guarantee a sixth through eighth seed...win against Cardinal and loss to Golden Bears means WSU could be seeded sixth, seventh or eighth or could miss the tournament if Oregon wins at USC and at UCLA and California defeats Washington...if WSU loses both games this week, two scenarios could get the Cougars in the tournament...one is if Oregon loses both of its games while the other is if USC sweeps Oregon and Oregon State, UCLA loses to Oregon and California loses to Washington...should WSU qualify, possible first round opponents would be Arizona, Washington, Stanford or UCLA.
