

ASSUMPTION OF RISK

I understand that participating in any Washington State University (WSU) sport camp can be a dangerous activity involving many risks of injury.

In consideration for and as a condition of being allowed to participate in this voluntary activity, I agree to take full responsibility for any and all risks that exist, including the risk of death or injury to my child or loss or damage to my property. I understand that there may be risks that WSU cannot predict or foresee, and I also assume full responsibility for those risks.

Risks in participating in the women's basketball camp activities, include, but are not limited to: temporary or permanent muscle soreness, sprains, strains, cuts, abrasions, bruises, ligament and/or cartilage damage, orthopedic damage, severe head, brain, neck or spinal injuries, paralysis, loss or use of arms and/or legs, eye damage, disfigurement, or death. I also recognize that there are both foreseeable and unforeseeable risks of injury or death that may occur as a result of traveling to or from the women's basketball camp activities that cannot be specifically listed. Further, I recognize that the actions of other participants in the activity may cause harm or loss to my child or property.

EMERGENCY MEDICAL RELEASE

In an emergency requiring medical attention or a situation reasonably believed by Washington State University (WSU) authorized agents including women's basketball camp staff to be an emergency; I authorize WSU and its authorized agents to obtain emergency medical care for my child. I will be responsible for any expenses incurred in so doing including but not limited to care by health care professionals, hospital care, and ambulance or other services. In addition, the health care provider has permission to obtain a copy of my child's health record from providers who treat my child and these providers may talk with the program's staff about my child's health status.

NOTE: Minors may consent to certain services in Washington.

I hold harmless and agree to indemnify Washington State University, its authorized agents and employees and the staff of women's basketball camp from decisions to seek emergency treatment.
