*"A 1000 sets a day can change
a person - not just technically
but emotionally. The best of me
is yet to be seen."*

—Maureen Perez

Washington State University seeks to enrich every student's educational experience through exposure to different cultures, philosophies, and scholarly perspectives. This atmosphere of interchange and inquiry is fostered through various campus programs, diversity in the curriculum, and comfortable places around campus to meet and talk with students with different backgrounds. All students are encouraged to study abroad for a semester to experience life in another country. But you don't need to leave campus to find opportunities to learn about differences as there are numerous events, films, musicians, and speakers throughout the year that address issues of equity and diversity.

Office of the Vice President for Equity and Diversity

Given the importance of making WSU a welcoming and supportive place for everyone, the Office of the Vice President for Equity and Diversity was established in 2004. This office worked with students, faculty, and staff at all WSU locations to develop a university-wide Strategic Plan for Equity and Diversity. In accordance with this plan, goals have been established and work is underway to increase the diversity and retention rates among students and faculty, improve the campus climate for underrepresented students, infuse diversity into university leadership and management, provide increased educational/scholarship opportunities, and devise better methods of assessment and accountability for diversity progress. More information about the Office of the Vice President for Equity and Diversity and the Strategic Plan can be found by visiting www.diversity.wsu.edu/.

Equity and Diversity Partners

The following units report to the Office of the Vice President for Equity and Diversity and serve as valuable partners with all areas of the university working on these issues.

"Our campus is laden with beautiful brick buildings surrounded by picturesque landscapes, green lawns, tall trees and many pathways to opportunity. Our athletic facilities wrap themselves around the buildings creating an atmosphere of Cougar pride everywhere you look."

—WSU Head Coach
Brian Heffernan

What is it like to be a Cougar?

Community Service

- Reading at elementary schools
- Bosom Buddies Breast Cancer Fund Drive
- Campus Clothing Drive for Disadvantaged Women
- Raising money for hurricane Katrina victims

"Cougar student-athletes receive the best community support in the Pacific-10. The Pullman community surrounds the University and the townspeople are crazy about Cougar Athletics. Our team enjoys the support of a very captive audience as well as giving back to the community every chance we get. Being a Cougar means more than playing at the highest level; it means being a part of something bigger than yourself."

—WSU Head Coach Brian Heffernan

"It was amazing to me to realize how quickly material things of this world can be taken away from you; after seeing the destruction that Katrina caused I was completely humbled. Rather than wallowing in their bad fortune, the people of New Orleans were so grateful for the students who came to help and were determined to rebuild their beloved city."

—Maureen Perez

"I believe in myself. I believe in my team. I believe that when it comes down to game time, I am prepared for whatever may come my way."
—Stephanie Weishaar

rich in culture, arts and recreation

WSU and its surrounding areas are full of opportunities to enjoy everything from musicals and comedians to keynote speakers.

- Beasley Performing Arts Coliseum seats 12,000, largest in the Inland Northwest
- In the Pullman-Moscow area there are six theater groups, 15 museums, six musical organizations and five performing arts groups
- Home to annual jazz, arts, cultural and dance festivals

a place to explore

WSU offers students several opportunities to enjoy the outdoors during all seasons. The Outdoor Recreation Center rents everything you need from snowshoes and snowboards to kayaks and camping gear for your next adventure.

Numerous parks, lakes, rivers and outdoor recreation activities, such as Hell's Canyon, Boyer Park, and the Snake River.

Chipman Trail—an 8-mile trail between Pullman and Moscow is a great place to bike, jog, walk and rollerblade.

Surrounded by the beauty of the Palouse region, the Snake River offers swimming, boating and rafting opportunities.

Why Washington

"Choosing WSU was easy. Not only did it allow me to play in any volleyball player's dream conference, but it gave me the opportunity to play with the support of a great family of teammates and coaches as well as the entire surrounding community. What more could a girl ask for?"

Brittany Johnson

"I chose WSU because I wanted to play with a team that valued hard work, persistence and perseverance; a team with a great work ethic and training attitude. That is exactly what I saw when I visited WSU last year. I saw a great group of athletes and coaches working together, to be the best they could be. And I wanted to be a part of that."

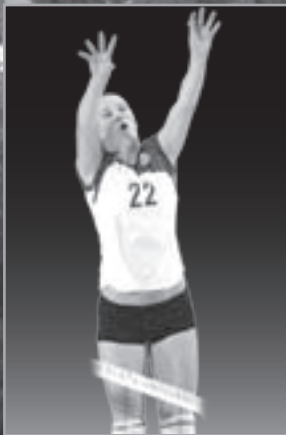

Tara West

"I came to WSU because I wanted to play against the best competition in volleyball - the Pac-10 - and I thought WSU was a great opportunity. I couldn't think of any other place where I could excel better both as an athlete and as a student."

Jackie Albright

State University?

"I chose WSU because I believed in the big picture. I knew that I was about to be a part of something bigger than myself! I love the family atmosphere that is embedded in the Cougar culture, there is nothing like it."

Maureen Perez

"I chose WSU because when I came on my visit I received so much love from the coaching staff and wherever I went in the town, I got nothing but smiles and love; I just felt a warm feeling here. The athletic and academic faculty truly care about the athletes and are always willing to help and support the athletes with anything that they needed. I love the fact that we have our own gym and that there are a lot of volleyball fans in the town. Pullman makes an athlete who is far from her home feel good."

Adetokunbo Faleti

"I came to WSU for the combination of the academic opportunities and a close-knit community with the big-time college atmosphere."
