ELSON S. FLOYD**PRESIDENT**

Elson S. Floyd is Washington State University's 10th president. He took office in the summer of July after serving as president of the four-campus University of Missouri during 2002-2007.

"Affordability, accessibility and accountability" are keystones to his administration leading WSU. He puts high priority on WSU being a research leader and having a global presence. Furthermore, he endorses diversity of thought, opinion, perspective, viewpoints, race and ethnicity as characteristics of a world-class university.

Floyd, 51, served as president of Western Michigan University from 1999 to 2002, and held several administrative positions at the University of North Carolina Chapel Hill, including deanships in student affairs and the College of Arts and Sciences.

Previously, he spent two years as executive director of the state of Washington Higher Education Coordinating Board, the agency responsible for statewide coordination, planning, oversight, policy analysis and student financial aid programs for Washington's post-secondary education system. From 1990 to 1993, he served as vice president for student services, vice president for administration and executive vice president at Eastern Washington University.

He began his career in 1978 at the University of North Carolina at Chapel Hill, where he held deanships in the Division of Student Affairs, the General College and the College of Arts and Sciences. From 1988 to 1990, he was assistant vice president for student services for the UNC system office, where he helped develop and articulate student affairs and academic affairs policy for the 16-campus university system.

A native of Henderson, N.C., Floyd holds a bachelor of arts degree in political science and speech, a master of education degree in adult education, and a doctor of philosophy degree in higher and adult education, all from the University of North Carolina at Chapel Hill.

Floyd and his wife, Carmento Floyd, have two grown children.

ANNE MCCOY**SENIOR ASSOCIATE DIRECTOR OF ATHLETICS/
SENIOR WOMAN ADMIN.**

Veteran intercollegiate athletics administrator Anne McCoy has served Washington State University since 2001, and was promoted from associate director to senior associate director of athletics in 2004. Her appointment to senior woman administrator came in the summer of 2007.

In her capacity as senior associate director of athletics, she is charged with overseeing all aspects of WSU's athletic budget and supervises several areas within the department including the business office, equipment, computer and football operations, and event management and facility operations. She also serves as a liaison for men's and women's basketball.

McCoy serves on several Pacific-10 Conference committees including the Executive Committee as vice president-elect for the Pac-10 Council, and on the Medical Care, Student-Athlete Advisory and Senior Woman Administrator committees.

A Wisconsin native, McCoy earned a bachelor's degree in sports management in 1989 from the University of Massachusetts. While an undergraduate, she worked for the Pittsburgh Penguins professional hockey organization, expanding the club's season ticket base. McCoy also served an internship as the assistant athletic business manager at the University of Connecticut, and was instrumental in designing and implementing a comprehensive computerized budget-tracking system.

McCoy served in several capacities at the University of Maine from 1989-1995, lastly as associate director of athletics and senior woman administrator. At Maine, she supervised men's basketball, men's and women's soccer, men's and women's swimming and softball in addition to the athletic business office, ticket office, retail store and cheerleading staff and operations. She took a similar administrative position at the St. Louis University from 1995-1996.

In 1996, McCoy moved west, joining the staff at Portland State University as associate director of athletics and senior woman administrator, and was promoted to senior associate director of athletics in 1998. At PSU, she managed all internal staff and the daily operations of the department, representing the director of athletics as needed. McCoy also supervised men's and women's golf, cross country/track and field, and women's volleyball, soccer, tennis and softball.

McCoy and her husband Brian have two children, daughter Taylor and son Jake.

JIM STERK**DIRECTOR OF ATHLETICS**

Washington native James M. Sterk was appointed Washington State University's director of athletics in June of 2000. In his six years, Sterk has seen unprecedented growth and success by the Cougars' 17 intercollegiate teams and 450 individuals who compete for WSU annually.

On the academic front, WSU earned 113 selections to Pacific-10 Conference All-Academic teams in 2004-05. That figure represented the most student-athletes to earn such an honor during an academic year in school history. WSU nearly reached this standard in 2005-06 with 109 selections to conference all-academic teams.

On the field, Cougar Athletics has enjoyed extraordinary achievements highlighted by three consecutive 10-win seasons by the football program from 2001-03. Most recently, 10 sports were represented either as a team or individually in NCAA postseason competition during the 2005-06

season. Featured in this group was the rowing team's fourth place finish at the NCAA Championships, the highest finish ever by a WSU women's team in NCAA postseason competition.

Facility improvements have also been among projects Sterk has tackled. Following the 2006 football season, the initial phases of a renovation to Martin Stadium, the home of Cougar football, will commence. WSU recently completed a major baseball field renovation, becoming the first collegiate field to feature FieldTurf as a playing surface. In addition, plans are underway for an ambitious capital improvement plan that will enhance many other WSU sport facilities.

A 1980 graduate of Western Washington University, Sterk received his master's degree in sports administration from Ohio University. His professional career has included positions at North Carolina, Maine, Seattle Pacific, Tulane and Portland State, the latter as director of athletics for five years before joining the Cougar staff.

The foundation of Sterk's leadership plan is based on five areas: the student-athlete experience, resource acquisition, personnel, political dynamics, and facilities. All five areas have enjoyed growth in his first six years at Washington State University.

Sterk currently is a member of the prestigious NCAA Championship/Competition cabinet and has served on numerous Pacific-10 Conference committees during his tenure at WSU.

KEN CASAVANT**FACULTY ATHLETICS REPRESENTATIVE**

Professor Ken Casavant, a member of the Washington State University family since 1967, currently serves as WSU's Faculty Athletics Representative to the Pacific-10 Conference and the National Collegiate Athletic Association. He is a past president of the Pac-10 and was recently chosen to serve on the NCAA Division I Management Council.

Casavant came to WSU as a graduate research assistant in the Department of Agricultural and Resource Economics. He was named an assistant professor in 1971, an associate professor in 1975 and a full professor in 1980.

In 2004, Casavant received the honor of giving the Distinguished Faculty Address, the University's oldest award and also received the Sahlin Excellence in Public Service award for the University. In 1979, Casavant received the R.M. Wade award for outstanding teacher in the college of agriculture at

WSU, and in 1990, he earned the distinguished WSU Faculty of the Year award. Casavant was elected vice-chair (1991-92) and chair (1992-93) of the WSU Faculty Senate and has been accorded the Distinguished Teacher award by the American Agricultural Economics Association. He was named Distinguished Scholar by the Western Agricultural Economics Association in 2003 for his nationally recognized work as a transportation economist.

During his tenure at WSU, Casavant has served as associate director for the Washington State Transportation Center (1984-87) and the interim Vice-Provost for Academic Affairs and interim Vice-Provost for Research (1998).

The North Dakota native is a 1965 graduate of North Dakota State University, where he earned a bachelor's degree in agricultural economics. He received his master's degree from NDSU, followed by a Ph.D., from WSU in 1971.

Ken and his wife Dorothy have two grown daughters, Michele and Colette.
