

WASHINGTON STATE ATHLETICS OFFICE OF COMPLIANCE STUDENT HOST REGULATIONS

- Appropriate conduct is required of you by the University, the Pacific-12 Conference and the NCAA.
- If you are a student-athlete host, WSU can provide you with \$40 per day for hosting a prospective student-athlete. This is to cover the actual necessary expenses you incur. If you entertain more than one student-athlete on that day, you may receive an additional \$20 per day for each additional prospect.
- If complimentary admissions are to be part of the entertainment package, your coach will explain the procedures for obtaining admission for both you and the prospective student-athlete. If you should accompany the prospective student-athlete to the event during the prospect's visit to campus, admission to the game will be through the player's will call or pass gate, the entrance that normally handles complimentary admissions. You must sit where general seating is located.
- Be aware! You should not allow recruiting conversations to occur on or off campus grounds between the prospect and boosters. If an unplanned meeting occurs with a booster, only an exchange of greetings is permissible. Also, prospects are not permitted to be interviewed during broadcast or telecast at any University athletics event, on or off-campus.
- When entertaining, you must stay within a 30 mile radius of the University. You may not use a vehicle provided or arranged by any Athletics Department staff member or booster. When provided with entertainment money, you may not use it to purchase souvenirs or t-shirts.
- Entertain only you, the prospect, the prospect's parents or legal guardians and spouse with the money provided. Other students may assist with hosting the prospect but shall pay for their own entertainment. Even if you are of legal age, you are not to entertain prospects with alcohol or drugs. If you are in a place where drugs are being taken, you need to leave immediately.
- You are not to take the prospect to any place where gambling or gaming activities are occurring. There shall be no use of strippers or gentlemen's clubs (or the equivalent) with the prospects on their campus visits. Sexual favors may not be procured arranged for a prospect or used as a recruiting device. Additionally, no criminal activities shall take place on a recruiting visit.
- Treat your prospective student-athlete as you would want to be treated in an unfamiliar environment. Be certain that the prospect knows how and where to reach you, if you become separated from one another.
- If you have been assigned to host a specific prospect for an overnight visit, you are obligated to make sure that the prospect spends the night in a previously designated location approved by the coach. You may not allow the prospect to participate in any athletic activity involved or related to the sport for which a prospect is being recruited, if it is arranged or observed by a coaching staff member.
