COMPLIANCE QUIZ

January 16, 2015 – January 22, 2015

1. A student-athlete at University College would like to transfer and notifies the institution of this desire to transfer. State Tech contacts University College about the student-athlete's interest; however, University College informs State Tech that it will not grant any institution permission to contact the student-athlete. What is required of University College now that it has denied State Tech's request for permission to contact the student-athlete?
 - a. Inform the student-athlete to withdraw from University College.
 - b. Inform the student-athlete of hearing opportunity to appeal the denial of contact.
 - c. Inform the student-athlete it is not permissible to transfer for one year.
 - d. No other action is necessary.
2. Before a prospective student-athlete signs a National Letter of Intent or the institution's written offer of admission and/or financial aid, or before the institution has received a prospective student-athlete's financial deposit in response to its offer of admission, the prospective student-athlete calls a booster and requests information regarding your institution's athletic program. It is permissible for the booster to discuss your athletics program with the prospective student-athlete.
 - a. True.
 - b. False.

Expenses to Attend an Institution Camp or Clinic that Conducts Organized Competition

The Legislative Council determined that an individual may receive actual and necessary expenses to attend an institutional camp or clinic from an outside sponsor (e.g., team, neighbor, business) other than an agent or a representative of an institution's athletics interests (and, after initial full-time collegiate enrollment, other than a professional sports organization), provided the camp or clinic conducts organized competition in the sport for its participants.
